

51NORTH

51North is an award winning digital design and development studio based in the Netherlands. We are a small but fast growing studio always striving to create top notch digital work. We work for some of the worlds leading Ad agencies and brands. Clients and agencies we had the joy of working with include: Porsche, Discovery Channel, KLM, Scotch & Soda, McDonald's, TomTom, Achtung! McGarryBowen, DDB & Tribal, TBWA, INDIE Amsterdam, J. Walter Thompson, Havas and BBDO.

Front-end developer (jr.)

Requirements

- + Solid programming and web development skills in front-end environments
- + Expert knowledge of HTML5, Javascript and CSS
- + Some experience with modern JavaScript frameworks (such as React/Backbone, preferably Vue.js)
- + Some experience with Javascript animation libraries like GSAP
- + Some experience with command-line tools such as npm, gulp or grunt
- + The ability to learn quickly
- + Creative and analytical approach to problem solving
- + The drive to deliver high quality code
- + Strong oral and written English communication skills
- + Flexibility

51NORTH

Nice to have

- + A slight aversion for jQuery and FTP uploading
- + Some knowledge of PHP frameworks, preferably Laravel
- + You've already worked with a template engine like Twig
- + Knowledge of module bundling with tools like webpack
- + Knowledge of what sourcecontrol is and why you should always use git
- + Experience with testing and debugging across a variety of popular browsers and devices
- + Knowledge of what makes frontend animations work smoothly
- + A pug, honey badger or other amazing pet ;)

Your role

- + Work closely together with our senior developers
- + Transform designs into cutting edge, pixel perfect digital products
- + Build proof of concept prototypes
- + Work closely together with designers and motion design

We offer

- + Excellent working conditions with enough space for self-development
- + Room for personal initiatives and ideas
- + Optimal learning and performance climate, direct lines and open communication
- + Lovely clients
- + Pleasant informal working atmosphere
- + Nice colleagues and lots of interaction

This job offering is for our office based in Sittard. If you think you fit the bill, send your resume and portfolio through to us today, we are looking forward to it!
